Summary

I'm a recent graduate from Ironhack's Web Development bootcamp. After realizing my desire to face new challenges and learn the intricacies of web development, I decided to invest full-time to learn software engineering.
I am extremely passionate, hard-working and yearn to continue developing my skills as a web developer. I enjoy figuring out how to solve problems and I love to learn.

Technical Skills

Node.js, JavaScript, MongoDB, Express, jQuery, AJAX, Angular2, Git, GitHub, HTML, CSS, SASS, Bootstrap, Responsive Design

Code Projects

JavaScript Blackjack Game

Blackjack game using pure JavaScript, including different logics for winning, losing, "doubling down" , etc.
Technologies*: JavaScript, jQuery, HTML, CSS*
Page URL: https://josh35767.github.io/black-jack-game/

Cook Your Craving

Express Application built in a week. Allows users to share and view other user created recipes by ethnicity. Includes features such as writing reviews, making bookmarks and uploading their own recipes.
Technologies*: Express, Node.js, MongoDB, Mongoose, HTML, SCSS, JavaScript*
Page URL: https://cookyourcraving.herokuapp.com/

Musicorum

Full Stack Angular2 Application built in a week and a half. Users are able to search a large music database to find songs they forgot by a line of lyrics. They're also able to search by artist/track and save them to your profile.
Technologies*: Angular2, Express, Node.js, MongoDB, Mongoose, HTML, CSS, JavaScript, MasonryJS*
Page URL: http://www.musicorum.co/

Professional Experience

Full-Stack Web Developer   **May 2017 - Aug 2017**
Ironhack (Student)   *Miami, FL*
- Ironhack is an immersive bootcamp with locations in Madrid, Barcelona, and Miami, offering 9 -week courses in Full-Stack Web Development. (400+ hours)
- Clean code principles, design patterns, and test driven development (TDD)

Pantry / Preparatory Chef   **Dec 2016 - May 2017**
Runyons   *Coral Springs, FL*
- Prepared and served a variety of dishes, including a variety of salads, house-made desserts, cold appetizers, sauces, stocks, dressings and pasta
- Grew great time management skills, as we often would serve up to 400 people on a weekend night, and even up to 600 on holidays.
